Cline and Fast Form New Management Firm

Formation of a new management consulting firm specializing in public relations and communications services has been announced by A. V. Cline and Todd H. Fast, pioneer Southern California public relations counselors.

The principal offices of the new firm, to be known as Cline and Fast, will be located in the Aerospace Center near International Airport. A second office will be opened soon in Orange County.

The organization was formed following an agreement with Gaynor and Ducas, Inc., of New York and Beverly Hills. Under the terms of the agreement, the new firm will serve clients previously handled by Gaynor and Ducas in the west. Both Cline and Fast are former vice presidents of Gaynor and Ducas.

Cline, former corporate director of public relations for Northrop Corp., has been in the public relations field for 20 years. Fast, a former public relations manager for the

Los Angeles Chamber of Commerce, has been in the field for the past 15 years.

James G. Stevens, formerly with Gaynor and Ducas, will be associated with the new firm.

Marine Lance Cpl. Robert R. Knight, son of Mr. and Mrs. John K. Knight of 237 W. 226th Place, participated Feb. 28-March 9 in an extensive simulated desert warfare exercise called "Operation Winter Night" at the Marine Corps Base, Twentynine Palms, Calif.

William R. McNeese, seaman apprentice, USN, son of Mr. and Mrs. John E. DeNico of 927 E. Joel St., and Don G. Lynwalter III, aviation structural mechanic airman, USN, son of Mr. and Mrs. Don G. Lynwalter Jr., of 20551 Eastwood Ave., returned to San Diego March 10 aboard the attack aircraft carrier USS Oriskany completing a tour of duty with the Seventh Fleet in the Far East.

The Game Is Basketball, So They Say

Donkey Basketball is coming to South High tonight. Students at the school describe the game as a combina-

tion rodeo, circus, and basketball, with students and teachers riding astride donkeys. The annual event, to be held

starting at 8 p.m. is sponsored by the sophomore class. Members of the student council and the sophomore council

will represent South High. Challengers will be men from the sophomore English and history teaching staff.

ADMISSION FOR the game is \$1 for adults, 75 cents for

children, and 50 cents for students. Student tickets may be purchased at the student store.

The rules are simple. Every player must ride a donkey and the centers are allowed to go

where they can get the donkeys to go. When the ball is on the floor, players may dismount, but they have to take the donkey with them. Finally, all baskets and passes must be made while astride the donkey.
